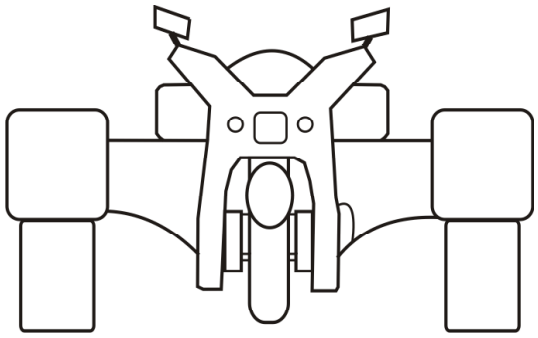
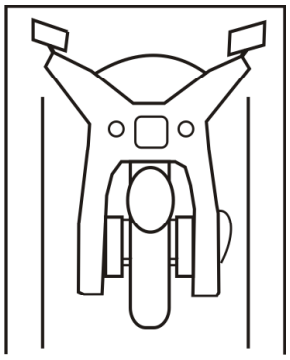
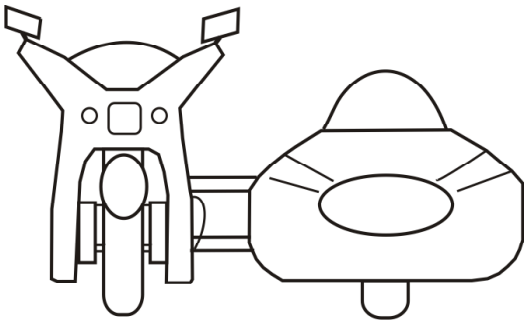
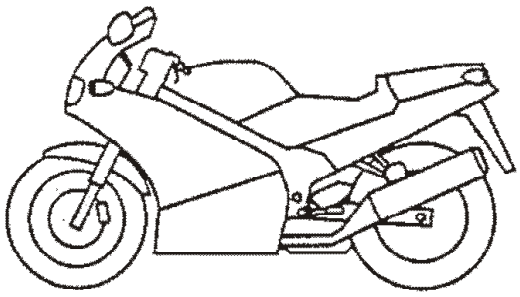
Manufacturer VIN/chassis No.																

Note: Use only manufacturer's VIN/chassis No., not the NZTA generated 7A8 or 7AT VIN









State clearly why the vehicle does not require repair prior to certification:

_____

_____

_____

_____

☐ I, the undersigned, being a NZ Transport Agency-appointed vehicle inspector for entry-level certification of used and parallel-imported vehicles, have examined the above vehicle in a damaged condition prior to repair. The damage to the vehicle is cosmetic and I am satisfied that there is no damage (visible without trim removal) that would require repair certification.

☐ Vehicle has been repaired in accordance with the requirements of the *VIRM: Light vehicle repair certification* and the border damage flag can be removed.

LT308 #: _____ Repair certifier ID: _____
