

Your vehicle's airbags are under compulsory recall and must be replaced

Please contact the New Zealand representative for the make of your vehicle (contact details on the back of this flyer) as soon as possible to arrange replacement of the Takata Alpha airbags.

There will be **no cost to you** for parts or labour. If your vehicle has already had an airbag replaced, we recommend you check there are no outstanding recalls.

Takata Alpha airbags are a significant safety risk. At some stage, vehicles may be blocked from getting a warrant of fitness if these airbags aren't replaced – and it's illegal to drive without a valid WoF.

For up-to-date information on the compulsory recall, visit www.consumerprotection.govt.nz/takata-recall

November 2018

Contact details for vehicle manufacturers
